No. : **QA 13-131**
To : **Industeel France**
Reference : **Ms. Laetitia Billard / Quality System Manager**
Subject : **Close out of Audit Findings**

Dear Ms. Laetitia Billard

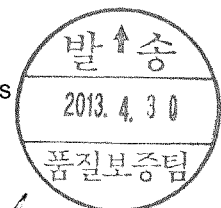

We are pleased to inform you that the corrective actions of Industeel France for the audit findings are acceptable.

Industeel France will be maintained on the AVL of Doosan as bellow.

- A. Scope : Material Organization Manufacturing Ferrous and Nonferrous Material Including Qualification of Non-accredited Material Organization, Utilization of Unqualified Source Material, and Approval & Control of Suppliers. (N Class)
- B. Address : 56, rue Clemenceau-B.P. 19,71201 Le Creusot Cedex, France
- C. Approval Duration : ~ Mar. 24, 2015
- D. Approved Manual : IND-MAQ-00 (Ed.13, Rev.0, 2013.03.13)

Any subsequent changes like quality manual, company address, president, company name, ASME Cert. etc. must be submitted to Doosan QA Team for acceptance prior to implementation on Doosan Heavy Industries & Construction Co. Ltd. works.

Very truly yours

J.Y.Hong

for J. S. Kim
