2. The number assigned to this Licence is **CM/L- 4100364885** which has been made operative from **06-10-2026** and is valid up to **05-10-2029**. This licence is granted for 3 years with applicable fee deposition of one year only. Requisite fee is required to be submitted annually with details as given at para 6, 7 and 8 of this letter. The licence number shall invariably be referred to in your future correspondence.

3. The licence is granted on the explicit condition that you should mark entire production under scope of licence with Standard Mark and maintain conformity to the relevant Indian Standards. In addition, you should display the BIS product certification licence held by you prominently at your premises and also mention the BIS product certification licence held by you in your commercial advertisements.
4. According to Sub-Paragraph (1) & (3) of Paragraph 5 of Scheme-I of Schedule-II under Bureau of Indian Standards (Conformity Assessment) Regulations, 2018, the **annual licence fee of Rs 1000.00** and the **marking fee of Rs. 86,000.00** for use of Standard Mark as per Annexure-I of Scheme-I of BIS (Conformity Assessment) Regulations, 2018 is payable by you **with effect from 06-10-2026** for the period of validity of licence in advance.
5. Minimum Marking fee stipulated under Scheme-I of BIS (Conformity Assessment) Regulations, 2018 is payable by you regardless of the fact whether you actually mark your product or not with the Standard Mark. **Our Receipt No. HQNDNT2026002269 dated 06 OCT 2026 (Excess Amount of Rs.9,103.00 will be used in future payments)** for the licence fee and the minimum marking fee for the first operative period is enclosed.
6. This advance minimum marking fee will be carried over to the next year on every occasion. The actual marking fee calculated on the unit rate on the production marked or the minimum marking fee, whichever is higher, shall be payable by you annually before completion of one year period. Production statement is required to be furnished by you for calculation of actual marking fee.
7. With a view to streamlining the reporting of quantity marked, calculation and collections of marking fee on the unit rate basis, fees will be calculated on the production marked during the first nine months of operation of the licence. After first year, production marked during twelve months comprising the last three months of the previous operative year and the first nine months of the current operative year will be taken for calculation of actual marking fees. In case the licence gets cancelled or expires, the entire production marked till the cancellation or expiry date shall be taken into account for calculating the marking fee payable.
8. If the production statement and/or annual fees is not received within timelines (i.e. before completion of the one year period), then the licence shall stand suspended or deferred for 90 days duration. During the period of these 90 days, the requisite information with fee accompanied with late fee of ₹ 5,000 can be submitted to make the licence operative. Otherwise, the licence shall stand cancelled or expired.
9. The Quality Assurance Plan (QAP) submitted by you and agreed by BIS or the Scheme of Inspection and Testing as specified by BIS will have to be implemented by your organisation strictly and completely. This supervision of the operation of the Scheme shall be done by a person responsible for the quality control function in your organisation. Kindly inform us the name and designation of the person who will be held responsible for the operation and maintenance of the Scheme. Any future change in this respect will have to be communicated by you to us as and when these take place.
10. We are enclosing a sheet giving the preferred dimensions of the Standard Mark to enable you to prepare the designs of the Standard Mark for marking the above product Photographic reduction in any size is permissible. This will ensure the relative proportions of the different dimensions maintained. Preferred dimensions be used as far as possible.
11. On commencement of marking of your product for which you are licensed, you may advertise your product with Standard Mark in various media only during the validity of your licence. The use of Standard Mark on letterheads and publicity literature will be permitted only on receipt of your assurance that in the event of cancellation or lapsing of your licence, the Standard Mark on your letterheads, publicity literatures etc. will be destroyed/obliterated.

12 This licence is granted for your manufacturing premises situated at **266, Rue to Chatelet, 6030, Charleroi Marchienne-au-Point Charleroi Belgium.** under the licence shall not be exercised by any other firm company/factory etc. This licence is not transferable in the event of shifting the manufacturing and testing equipment from the licensed premises to some other place, use of Standard Mark shall be stopped till the new premises are inspected and found to be satisfactory by BIS in respect of manufacturing and testing facilities available there and the address of the new premises is endorsed in the licence.

13. You are also advised to make yourself and other employees in your organisation aware about the provisions of the BIS Act, 2016 and Rules and Regulations framed thereunder especially the implications in case of any intentional or unintentional non-adherence.
