Subject: Ship to Stock Agreement Update

We would like to reconfirm your commitment to the Ship to Stock Agreement which was signed by your company. We would like you further to inform/advise us about the following issues:

1. Your company's valid ISO 9000 certificate.
2. If your company has changed its ownership (i.e. merge, buy out etc.) following the date of the last STS agreement between both of our companies, then, we would like to reconfirm the existing STS agreement at this time. Please inform of any personal or procedural changes that could affect the above STS Agreement.
3. A list of the persons of contact dealing with the STS agreement including your QA manager and General Manager.
4. Names of the labs that your company contracts with and in addition please furnish us with their authorization certificates.
5. Please supply us with a list of your major customers.
6. Please see attached page 2, "Request to Preserve the Quality of the Environment".
7. Please confirm the above by signing this memo.
8. Signed by your Company Representative: Jean-Christophe MILEK
Date: 22 September 2008

Sincerely,

Jacob Rahamim
