

1) Unique identification code of the product-type : **1.4547**

2) Type, batch or serial number or any other element allowing identification of the construction product as required pursuant to Article 11(4):

Hot-rolled stainless steel plates according to EN 10088-4

3) Intended use or use of the construction product in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Building construction and civil engineering

4) Name, registered trade name or registered trade mark and contact address of the manufacturer as requires pursuant to Article 11 (5)

5) Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):

Not applicable

6) System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:

System 2+

7) In case of the declaration of performance concerning a construction product covered by a harmonised standard:

EN 10088-4:2009

Notified factory production control certification body TÜV SÜD Industrie Service GmbH, Nr 0036 performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of conformity of the factory production control nr **0036 - CPR - M - 083 – 2015**

8) In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

Not applicable

9) Declared performance
