*energy surcharge (€/T)										30	77	112	163	216	283

* NB: From September 2021, the stainless steel alloy surcharge of Industeel includes an energy surcharge.
 The energy surcharge is based on Spot TTF Rotterdam Gas Price and Spot RTE Belgium Power, average values 2 months before shipment. The energy surcharge will cancel itself once Gas price <15€/MWh & Power <60MWh
 from January 1st 2022, Non stainless steel customers have the option to purchase at floating energy price at time of delivery, the energy surcharge will be added on the invoice at time of shipment
